Share The Warmth.

Join Project Share in helping someone in need stay warm this winter. Funded by SCE&G customers and employees, Project Share helps low-income customers pay their energy bills during the winter months. Since 1986, Project Share has provided more than \$7 million to nearly 41,000 low-income customers in communities served by SCE&G.

One hundred percent of Project Share contributions go to help people in need.

**YES!** I would like to share the warmth. Please add the indicated amount below to my SCE&G bill each month and give it to Project Share.
