Gas Patio Heater Retailers

Natural gas patio heaters radiate warmth like the sun. They don't just warm the air near the heater; they radiate warmth so everyone stays comfortable on chilly evenings while barbecuing or enjoying conversation outside. Patio heaters are easy to install because they tap into the natural gas line that supplies the fuel to your natural gas grill on your deck or patio.

Call or visit any of the retailers below for help in choosing the right gas patio heater for your home. Or, contact your local home improvement center for additional selections.

Gas Fireplace / Log Retailers

Nothing sets the mood – or provides the cozy warmth – of a gas fire. Gas logs and fireplaces are convenient and hassle free because they're engineered to provide fuel-efficient, fuss-free flames at the flick of a switch. You can enjoy a cozy fire instantly, when you want it. There's no wood to buy, haul or store, which means less mess and less hassle.

Call or visit any of the retailers below for help in choosing the right gas fireplace for your home. Or, contact your local home improvement center for additional selections.

Spa and Pool Heater Retailers

Enjoy your spa or pool more for less. A natural gas spa or pool heater gives you more usable days at a low cost, while their high average energy efficiency means lower fuel costs. Plus, the accurate temperature control provided prevents over-heating and wasted energy.

Visit your local spa/pool specialty retailer or your local home improvement center.
