OFF PER
BULB*

on select ENERGY STAR® qualified CFLs.

You'll receive your discount
INSTANTLY at check-out!

Why CFLs?

- **Save up to \$40** in electricity costs over their lifetime.**
- **Last up to 10 times longer**, so you won't need to change them as often (great for hard to reach places!)
- **Produce 75% less heat**, so they're safer to operate.
- **Available in brighter and softer light shades** for the different rooms in your home.

Visit sceg.com/energywise for a list of participating retailers.

**Limit 15 bulbs per customer. SCE&G does not warrant or endorse any manufacturer. Program is subject to change or termination at any time.*

***Energy cost savings are estimates only and may vary by usage and current rates. Please see the ENERGY STAR CFL calculator for additional details on savings estimates: energystar.gov/cfls.*
