Hot Savings with cool rebates!

If you're thinking about replacing your home's HVAC system, there's never been a better a time to upgrade with SCE&G's heating and cooling rebates!

SCE&G now offers **cash-back rebates ranging from \$200 to \$525** when you purchase and install ENERGY STAR® qualified central air conditioning systems and heat pumps through participating contractors.

Replacing older, less efficient equipment can save money on your energy bill while ensuring your family's continued comfort.

For complete details and to view a list of approved, participating contractors*, visit [sceg.com/energywise](https://www.sceg.com/energywise) or call 1-877-510-7234.

**To be eligible for an SCE&G heating and cooling rebate, customers must use an approved, participating contractor.*
