

## Electric Rates Change

The South Carolina Public Service Commission approved an increase in electric rates effective for service rendered on and after July 16, 2010.

The approved Rate 6 and Rate 8 for residential service is provided. Rates for other classes of customers may be obtained by contacting your local SCE&G office or by visiting [www.sceg.com](http://www.sceg.com).

### Rate 8 Residential Service

*Effective for service rendered on and after  
July 16, 2010.*

#### Rate Per Month

	Summer (Billing Months June-September)	Winter (Billing Months October-May)
Basic Facilities Charge.....	\$8.50	\$8.50
Plus Energy Charge		
First 800 kWh @.....	\$ .11224 per kWh	\$ .11224 per kWh
Excess over 800 kWh @ .....	\$ .12385 per kWh	\$ .10760 per kWh

## Electric Rates Change

Energy Saver/Conservation Rate 6 is designed to reward residential customers who build or upgrade their homes to high efficiency standards, as prescribed by the Council of American Building Officials Model Energy Code. These standards are subject to change and affect ceilings, lighting, walls, floors, windows, doors, ducts, attic vents, water heaters, air conditioning, chimneys, and fireplaces.

Air conditioning standards may also be impacted by federal or state mandated energy codes. The most recent update for this requirement results in a current SEER rating of 14 or higher to qualify for service under Rate 6. This rating is subject to change as energy codes are updated or revised.

Please contact your local SCE&G office or visit [sceg.com](http://sceg.com) for more information and complete details on Rate 6. A Rate 6 application is also available online at [www.sceg.com](http://www.sceg.com).

### Rate 6 Residential Service

#### Energy Saver/Conservation Rate

*Effective for service rendered on  
and after July 16, 2010.*

#### Rate Per Month
