

## Why are CFLs EnergyWise?

- **Save up to \$40** in electricity costs over their lifetime.\*\*
- **Last up to 10 times longer**, so you won't need to change them as often (great for hard to reach places!)
- **Produce 75% less heat**, so they're safer to operate.
- **Available in brighter and softer light shades** for the different rooms in your home.

*See inside panel for more information.*

Visit [sceg.com/energywise](http://sceg.com/energywise) for a list of participating retailers.

*\*\*Energy cost savings are estimates only and may vary by usage and current rates. Please see the ENERGY STAR CFL calculator for additional details on savings estimates: [energystar.gov/cfls](http://energystar.gov/cfls).*

# Be EnergyWise<sup>®</sup> and Save!

NEW rebates & incentives to help you take control of your energy bill.

SCE&G is pleased to introduce our new electric residential EnergyWise® programs. From discounts on CFLs to rebates on improvements to your home, EnergyWise® gives you valuable incentives to make your home more energy efficient.

### **Home Energy Check-up (Free)**

Free to all SCE&G residential customers, a member of the SCE&G Energy Team will walk through your home with you. They will visually inspect windows and doors, caulking, weather stripping, insulation levels, appliances and heating and cooling to help you identify ways to better manage your energy consumption.

### **ENERGY STAR® Lighting Discounts**

**(Up to \$1.50 per bulb)**

Get instant discounts on select ENERGY STAR qualified compact fluorescent light bulbs (CFLs) from SCE&G and participating retailers. \* Save up to \$1.50 on each bulb with a limit of 15 bulbs per customer purchase (a potential savings of \$22.50). See back panel for more information.

*\* SCE&G does not warrant or endorse any manufacturer. Program is subject to change or termination at any time.*

### **Home Performance with ENERGY STAR®**

**(Rebates up to \$2,500)**

Rebates up to \$2,500 are available from SCE&G for making home energy improvements recommended and completed by a BPI (Building Performance Institute)-certified home performance participating contractor. Your contractor will perform a comprehensive energy audit of your home and recommend improvements that will provide the greatest benefits and savings.

### **Heating & Cooling and Water Heating**

**(Rebates up to \$525 per unit)**

SCE&G offers cash-back rebates worth hundreds of dollars on purchases of qualified high efficiency heating and cooling systems and water heating equipment from participating contractors. You can also qualify for rebates just for improving your existing heating & cooling system.

#### **Rebates for installing a new system**

SCE&G electric customers can receive cash rebates of \$200 to \$525 for purchasing and installing ENERGY STAR qualified central air conditioning systems, heat pumps and non-electric resistance water heaters in either new or existing homes.

#### **Rebates for improving an existing system**

Residential electric customers who make certain energy efficiency improvements to their heating & cooling system, including equipment tune-ups, duct sealing and duct insulation can receive cash rebates of \$60-\$150.

### **ENERGY STAR® New Homes**

**(Rebates up to \$750 for Builders)**

ENERGY STAR qualified new homes offer homebuyers all of the features they want in a new home plus energy-efficient improvements that deliver better performance, greater comfort, and lower utility bills. As a result, you will have peace of mind knowing that you have made a financially sound investment.

Call **1-877-510-SCEG** or visit **[sceg.com/energywise](http://sceg.com/energywise)** for program details.
