

HVAC New Equipment Application Instructions

This application is to be used for equipment that was installed on or after 4/2/18.

To submit a complete **New Equipment (HVAC) Rebate Application**, please take these steps:

1. Complete **all** sections of the application.
2. **Sign and date** the application at the bottom of the page.
3. Include a detailed installation **invoice** from your **licensed** mechanical contractor.
4. Confirm your contractor has provided the correct **AHRI Number** in the New Equipment Section. This number is used to determine the eligibility of your equipment and rebate.
5. Confirm with your contractor that the equipment meets the efficiency requirements (**SEER, EER, HSPF**) listed in the New Equipment Section. These efficiency requirements do not include rebates for ground source heat pumps. However, please consult your tax advisor for information regarding home improvement tax credits which may cover ground source units.
6. Rebates will be paid to the SCE&G account holder by default. If you are not the account holder and request for the check to be in your name, you must submit a completed W-9 which can be found at **www.irs.gov/pub/irs-pdf/fw9.pdf**.
7. Submit your application **within 90 days** from the installation date, provided on your invoice, via email or mail:

ACCEPTANCE OF TERMS

I hereby certify that I am the SCE&G electric account owner and/or the owner of the facility/address at which the service/installation occurred, that I have purchased the equipment described on this rebate application, and that it has been installed at the indicated installation address. I have read and accept the Terms and Conditions on the reverse side of this form and acknowledge that SCE&G may verify the information provided. A copy of the detailed installation invoice with the date of purchase must accompany this form. The Applicant agrees to conduct this transaction by written or electronic means, including but not limited to the acknowledgement above of having read and agreeing to the Terms and Conditions of this rebate program.

APPLICANT SIGNATURE: _____ DATE: _____

PLEASE READ THE INFORMATION ON THE REVERSE SIDE BEFORE COMPLETING THE EQUIPMENT REBATE APPLICATION.

Heating & Cooling

New Equipment Rebate Terms and Conditions

Applicant Eligibility

1. Applicants must be the customer of record OR own the facility where the installation occurred for an active SCE&G residential electric account. Applicants who are not the account holder, but do own the property where the service was performed, may apply by including an IRS Form W9, which can be found at www.irs.gov/pub/irs-pdf/fw9.pdf.
2. Rebates are valid for purchased equipment. Leased equipment will not qualify.
3. All HVAC new equipment meeting the eligibility requirements of this application must be installed on or after 4/2/2018. All equipment must be new and must be installed prior to the submission of the rebate application. Only AHRI-rated equipment meeting the program's efficiency requirements will qualify. Multiple rebates for the same piece of equipment are not permitted.
4. Applicants are responsible for ensuring that equipment installed for this program meets all applicable codes, standards and requirements. Equipment must be installed by a licensed mechanical contractor.
5. To be eligible for a rebate, installed equipment must be of the same equipment type as removed equipment. (Ex. Central air conditioners must be replaced by central air conditioners and heat pumps must be replaced by heat pumps.) This program does not allow fuel switching or provide rebates for new equipment that does not replace old equipment of the same type. Ground source heat pumps do not qualify for rebates.
6. Removed equipment must be legally disposed of and must not be reinstalled in SCE&G's service territory or transferred to any other party for installation in SCE&G's service territory.
7. Applicants must submit a completed Heating & Cooling New Equipment Rebate Application along with a copy of proof of purchase (detailed installation invoice) **within 90 days** of installation.

Other Conditions

1. SCE&G's Heating & Cooling Rebate Program has been approved by the Public Service Commission of South Carolina and may be subject to change or modification, without prior notice, at any time.
2. Rebate payments will be in the form of checks and made out to the account holder (customer), unless an IRS Form W9 is submitted, as stated in #1 under Applicant Eligibility.
3. Should equipment for which a rebate was paid be removed after the rebate is paid, the applicant will reimburse SCE&G for the rebate paid plus associated legal and/or collection related costs and expenses.
4. SCE&G reserves and the Applicant grants SCE&G the right to inspect the installation. Should the facility not have the qualifying equipment installed, contrary to the information contained in the Application, the rebate must be repaid to SCE&G.
5. SCE&G reserves the right to amend or discontinue this program without notice.
6. Rebates will be processed approximately four to six weeks after receipt of a completed Rebate Application and proof of purchase (detailed installation invoice). Incomplete applications are subject to delay or denial.
7. SCE&G does not warrant the performance of the equipment or that the equipment will result in reduced usage or demand or lower energy costs.

Send your completed Heating & Cooling New Equipment Rebate Application and proof of purchase (detailed installation invoice) to:
