

RIDER TO RETAIL RATES**BILL CREDIT AGREEMENT (“BCA”) FOR
RENEWABLE ENERGY FACILITIES**
(Page 1 of 2)

Effective April 27, 2017, this rider is suspended indefinitely and not available to any new customers. Customers who, prior to April 27, 2017, have applied and been approved by SCE&G to participate in the BCA program, properly executed an interconnection agreement, and made all payments and financial security-related requirements set forth in the interconnection agreement (if applicable) will have 12 months from April 27, 2017, to successfully interconnect their facilities to SCE&G’s system as set forth in this rider, the interconnection agreement, and the BCA program application.

AVAILABILITY

This rider is available in conjunction with the Company’s Retail Non-Residential Electric Service Rates, the terms of which are incorporated herein by reference. This rider is only available to non-residential customers who install solar photovoltaic facilities of not more than the lesser of one thousand kilowatts (1,000 kW AC), one hundred percent (100%) of an off-set to the customer’s own electrical energy requirements, or 100% of the customer’s contract demand on and after January 1, 2015, on the customer’s premises. The customer’s generating system must be manufactured, installed and operated in accordance with governmental and industry standards and must fully conform with the Company’s current interconnection standards as approved by the Public Service Commission of South Carolina. This rider is available on a first come, first serve basis until December 31, 2020. This rider is available to customers who either own or lease their renewable energy generating facility. To the extent a Retail Non-Residential Customer is participating in an existing SCE&G bill credit program, such customer is ineligible to participate in any other renewable energy program offered by SCE&G.

BILL CREDIT

For energy produced by the customer’s renewable energy generating facility, SCE&G will issue customer a bill credit monthly in the amount per kilowatt-hour as set forth below. For facilities constructed after January 1, 2015, which are eligible for BCA, SCE&G will not issue bill credits retroactively to the time the facility was constructed.

Bill Credit per kWh Generated	System Size
\$0.20	0 kW < size ≤ 20 kW
\$0.18	20 kW < size ≤ 100 kW
\$0.14	100 kW < size ≤ 1000 kW
\$0.22	*

*SCE&G’s Tax Exempt customers under Rates 3, 12, and 22.

EXCESS CREDIT

In the event that the amount of the bill credit exceeds the amount of customer’s bill, then excess credits will rollover and be applied to the next billing statement. Any outstanding bill credit of \$600 or more as of the November billing month will be provided through a payment to the Customer. Any outstanding bill credit under \$600 as of the November billing month will continue to rollover and be applied to the next billing statement.

TERM OF BCA

SCE&G will issue the applicable bill credit for a period of up to ten (10) years for each premises but not to exceed the term of the contract under which the customer currently receives electric service at the premises, unless otherwise proscribed by the Public Service Commission of South Carolina, or until such time as the customer requests termination of service under this Rider.

RIDER TO RETAIL RATES**BILL CREDIT AGREEMENT ("BCA") FOR
RENEWABLE ENERGY FACILITIES
(Page 2 of 2)****TRANSFER OF BCA CREDIT TO SUBSEQUENT PREMISES OWNER/LESSEE**

Customer taking service under this Rider is eligible to transfer its BCA credit for its premises to a subsequent premises owner or subsequent lessee of the generating facility located on the premises. In the event of such transfer, the subsequent customer must execute the applicable applications and agreements referenced in this Rider. Such subsequent customer will be able to assume any remaining credits available for such premises under this Rider.

ASSIGNMENT OF BCA CREDIT

Customer may assign its right to receive payment of the BCA to a third-party installer or lessor of the solar facility. Customer must notify SCE&G in writing that it has assigned its right to receive its BCA credit and complete the applicable form to confirm the assignment of customer's BCA credit. BCA credit assignments shall be paid to the third-party installer or lessor of the solar facility on a quarterly basis. The amount of the BCA credit assignment for each month of the quarter will be shown on the applicable customer billing statement.

SPECIAL PROVISIONS

The Company will furnish service in accordance with its standard specifications. Non-standard service will be furnished only when the customer pays the difference in costs between non-standard service and standard service or pays to the Company its normal monthly facility charge based on such difference in costs.

METERING REQUIREMENTS

Customer must furnish, install, own, and maintain a meter socket to measure 100% of the Customer's generator output and that is connected on the Company's side of the delivery point. Company will furnish, install, own, and maintain a generation meter. Company will also furnish, install, own and maintain a billing meter to measure the kWh delivered from Company to Customer. The billing meter will be configured for demand and/or time-of-use measurement as required by the applicable rate. All metering shall be at a location that is approved by the Company.
